A Corporate Tragedy: The Agony of International Harvester Company. In the early 1980s, a combination of a recession, surplus farm commodities and a strong U.S. dollar brought disaster. Harvester barely escaped bankruptcy, and now a smaller, leaner, reorganized company is attempting a comeback. Marsh has done a fine job of telling this story, one of great interest beyond the business community.

AbeBooks.com: A Corporate Tragedy: the Agony of International Harvester Company: A curious story of the rise and fall of the great American corporate giant founded by Cyrus McCormick. This is also a cautionary tale, a story of a multinational corporation that fell, in a few short months, from 29th on the Fortune 500 list to an obscure spot below 100.

A Corporate Tragedy: The Agony of International Harvester Company. I can now understand what brought down a great company back when I was too young to understand. Bravo to the author. A very readable book, every bit as captivating as 'Barbarians At the Gate' and another example where truth can be more intriguing than fiction.
