Italian 2. I would  
recommend it to anyone  
trying to learn another  
language. This series  
works for me. I like the  
method of learning by  
audio. When I listen  
without reading the text,  
I concentrate on the  
sounds. Then when I am  
not "behind the wheel,"  
I read the book and  
listen to the audio.
