The Catholic Church is no exception, and Malachi Martin has written a riveting history of the "war" between the Papacy and the Society of Jesus, known to the rest of the world as the Jesuits. The effects of the battles have been profound and Politics is often more than the "art of compromise" that Plato called it.

In post-Reformation England, Catholic gentry and nobility utilized networks of family, friends, neighbors and patrons to mitigate the effects of the state's anti-Catholic policies and also to remain connected to the state. Catholic aristocrats remained significant participants in the exchange of patronage, both as clients and as patrons themselves.
