Arutiunian Trumpet Concerto - John Parker, trumpet, with the UNC Symphony Orchestra

The harp concerto is a bizarre piece, with a very poor construction. The orchestral material has nothing to do with the harp solo material, and it just sounds like he wrote a harp solo and played it over another different orchestral work.

John Williams Trumpet Concerto
Featuring Arturo Sandoval
Splendidly orchestrated, Haydn 's concerto fully exploits the trumpet's new technical abilities. The opening Allegro is festive and radiant, with the orchestra introducing the main themes before they're taken up by the soloist.

Shostakovich: Concerto For Piano, Trumpet And String ...

One of the most impressive aspects of Aerial is its difficulty, for both soloist and orchestra. Gruber conferred with Hardenberger throughout its composition, and the result is a concerto that pushes a trumpet soloist to the limits of that instrument.

Aerial, Concerto for Trumpet and Orchestra (US Premiere ...

The mouthpiece was shallow and cup-shaped like that of a trumpet,

and the instrument was as long as the eighteenth century Yager trumpet and also had its same bore size. Therefore, the sound and range for this concerto is quite adequately realized by the modern trumpet.

Davies - Concerto for Trumpet and
Orchestra - Brass Excerpts
Trumpet Concerto in E-flat major
For someone who was one of the
most prolific composers of the 18th
and 19th centuries, Haydn wrote
surprisingly few works to feature a
soloist with an orchestra. With 108
symphonies, 68 string quartets, and
47 piano sonatas, the catalog of his
complete works lists a scant 17
concertos – most of which are lost.
