## Where To Download Genre Text Grammar Technologies For Teaching And Assessing Writing

Genre, Text, Grammar: Technologies for Teaching and Assessing Writing, by Peter Knapp and Megan Watkins, is a resource and instruction book firmly grounded within a genre-based pedagogy and systemic functional linguistics methodology. This book was written to help educators become familiar not only with a genre-based approach to writing, but also the five areas often associated with high-stakes assessment: describing, explaining, instructing, arguing, and narrating.
