I just aquired a New Idea model 30A sickle mower without a manual. Problem is that the 7 ft sickle bar is in very poor condition & won't cut hay. The sickle bar appears to have a part number on it(045HSA). After spending a couple hours at Tractor Supply Co. trying to match the old sickle bar with new John Deere &...

My next project will be to restore this New Idea model 30A sickle bar mower (7 footer) for my low budget haying operation. I am hoping that using this sickle will increase my yields slightly as compared to using my square back bushog which actually worked better than I expected, but if I can increase my yields slightly then I will use this.
