1. The Good Citizen: Historical Conceptions "As far back as evidence can be found—and virtually without exception—young adults seem to have been less attached to civic life than their parents and grandparents." [] That is not evidence of decline--although it is often read as such--but rather indicates that becoming a citizen is a developmental process.

Gnosticism (from Ancient Greek: ????????? gnostikos, "having knowledge") is a collection of ancient religious ideas and systems which originated in the first century AD among early Christian and Jewish sects. These various groups, labeled "gnostics" by their opponents, emphasised personal spiritual knowledge over orthodox teachings, traditions, and ecclesiastical authority.
