International Political Sociology | Oxford Academic
Democracy. The type of government with which we are most familiar is democracy, or a political system in which citizens govern themselves either directly or indirectly. The term democracy comes from Greek and means "rule of the people." In Lincoln's stirring words from the Gettysburg Address, democracy is "government of the people, by the people, for the people."

Sociology is a diverse discipline, which aims to explain societal trends and institutions to make sense of culture, politics, and the economy. The Sociology courses are oriented toward developing students' critical thinking pertaining to causes and conditions of changes in societies around the globe, with a particular focus on Asia.

Psychology/Political Science/Sociology (PPS) Major ...

A good deal of thinking and research in sociology suggests that world hunger has less to do with the shortage of food than with a shortage of affordable or accessible food. Sociologists have found that social inequalities, distribution systems, and other economic and political factors create barriers to food access. (p. 35)
