The Age Of American Unreason

The Age of American Unreason [Susan Jacoby] on Amazon.com. *FREE* shipping on qualifying offers. A cultural history of the last forty years, The Age of American Unreason focuses on the convergence of social forces—usually treated as separate entities—that has created a perfect storm of anti-rationalism. These include the upsurge of religious fundamentalism

The Age of American Unreason: Susan Jacoby: 9781400096381 ...

The Age of American Unreason is another road-trip audio CD adventure so I couldn't take notes, I got distracted on occasion, and I can't review the text as I write this. Consequently, this review will be brief (perhaps blessedly so) and lacking in much detail but, for what it's worth here it is:

The Age of American Unreason by Susan Jacoby

The Age of American Unreason is about the dumbing down of the United States in many areas: belief in creationism and in biblical inerrancy, the inability of students to locate countries on a map, widespread innumeracy, civic illiteracy, and the media's promotion of junk science, to name but a few examples.
