that is very important and/or difficult to answer. Sometimes used ironically. The million-dollar question now is whether he should choose his former opponent as a running mate.

The million dollar question - Idioms by The Free Dictionary

The magic of the “million dollar question” is that it eliminates the issue of financial need from the question of what you want to do with your life. If the things you want to do with your life are drastically different than the things you are doing with your life, then there’s a good chance that you’re in a relatively unhappy cycle in your life, one that’s held in place solely by financial considerations.
