The Power Of Purpose-Driven - Forbes

Listening as means to more effective organizational management isn't a new concept – in fact, it's a timeless value. In Stephen Covey's best-selling book, The 7 Habits of Highly Effective People (1989), Habit 5 is "Seek first to understand, then to be understood."Covey points out that our education and socialization has placed an emphasis on teaching us how to communicate (e.g ...

The Power of Listening: What It Means and Why It Matters ...

The man has position-power, and the woman has influence-power. Influence-power may be more subtle and quiet than position-power, but it has a potent effect. Satan understood this influence. The fall of man resulted from the serpent's interference with influence leadership. Satan went to the influence-power to get at the position-power.
