Washed-up | Definition of Washed-up by Merriam-Webster

In the situation the best thing to do is rinse as many of the dishes as you can after they have been used so they can be washed up later on that evening. Doing this removes much of the leftover food. Try doing this in-between collecting the dishes and serving the next course.

Kitchen cleaning tips and how to do the washing up correctly

Wash your dishes underwater with a sponge or dishcloth. Keep the dishes underwater as you scrub them to loosen any stuck-on food. Wipe each dish clean with a sponge or a dishcloth in circular motions.

3 Ways to Wash Dishes - wikiHow

Go through the lightly soiled items at the end of the week and double check for stains and determine if they do actually need a wash. One tip is to hang the worn-once garment with the hanger facing backward on the rod so you know that it has been worn. If you wear something and it needs to go in the hamper, put it there immediately.

9 Organizational Hacks to Stay on Top of Laundry

A wide variety of natural materials, from shredded hardwoods to softwood nuggets, shield plants from weather and weeds while maintaining a natural look to planting beds. Inorganic materials include chopped rubber, plastic and stones. To be effective, however, mulch of all kinds may need protection to prevent its being washed away by heavy rain.

What Prevents Mulch From Being Washed Away When It Rains ...

If you do not want to use interfacing or undo the original hem, an alternative method to keep the hem from rolling is to trim off all the excess fabric inside and then do a top stitch above the original hem with a twin needle and the same type of thread originally used on the garment.

How to Keep a Hem From Curling Up | eHow

To keep black clothes from fading, try washing the clothes less often. The washing cycle inevitably wears the dye down. When you do wash the clothes, do so with other dark colors. That way, the dye that runs can be reabsorbed back into the cloth. Also, turn garments inside out.

How to Keep Black Clothes from Fading: 12 Steps (with ...

In the immediate example, salvaging Wolfhound, a vessel that most likely has already been given up for lost by its insurer (the owner, I assume, has been paid off and is out of the picture), would certainly entitle you to a "high-order" award. You will have either towed the vessel hundreds of miles, or you will have put crew aboard to rehabilitate and navigate the boat to shore, a decidedly risky proposition.
