Where's Spot? | Read Book Summary

Where's Spot? has been one of our favorite books since my boys were tiny. It's a simple board book that follows a mama dog as she looks for her puppy, Spot. She looks everywhere and finds all kinds of animals, but not Spot! The text is really fun for toddlers, as it asks questions on each page: "Is he under the bed? No!"

However, it ' s important to clarify that the G spot isn ' t actually a distinct part of your anatomy. In fact, in a 2017 study, researchers attempted to find the G spot only to come up empty-handed. Instead of being its own separate spot in your vagina, the G spot is part of your clitoral network.
